

# 2010 UCA REC SKIING/BOARDING

---

## Information / Assumption of Risk Form

---

### General Enrollment & Participation Information

Two (2) P.E. credits may be earned by students who participate in the Rec Ski/Board class for a minimum of five (5) UCA Rec Ski trips (see the UCA 09/10 Calendar for scheduled ski dates).

### UCA Enrollment Fee

The nonrefundable enrollment fee for the 2009/10 ski season is \$250 (the fee is subject to change with prior notice). This fee does not include Schweitzer ski passes or rentals. The fee covers vehicle fuel, maintenance, and staff supervision. The cost for students who ride with their parents (vs. UCA transportation) is \$50.

### Schweitzer Lift Tickets, Season Passes & Equipment Rental

Lift tickets and passes may be purchased on the mountain at Schweitzer or online at [http://www.schweitzer.com/tickets\\_passes/season\\_passes](http://www.schweitzer.com/tickets_passes/season_passes). The earlier you purchase the ski pass, the lower the cost will be! Ski/Board equipment may be purchased or rented from Schweitzer or from various shops in the Spokane area.

### Transportation

Students that return the signed Assumption of Risk Form (see "Personal Transportation" below) may travel to Schweitzer under their parental supervision. All other students must travel with UCA in school transportation.

### Absences & Cancellations

There are inherent risks associated with enrolling in the UCA Rec Ski/Board Program. Ski days may have to be cancelled due to weather and/or lack of snow. Also, students may need to choose between conflicting activities on scheduled ski days.
