

## UCA DAY STUDENT LUNCH PLAN

A convenient and potentially cost savings plan you may want to consider as day student parents is our UCA Lunch Plan. Under this plan, day students may eat all lunches during the school year for \$95/month for 10 months (billed August through May), at an approximate cost of \$5.50 per meal (vs. \$6.50 for cash or \$7.50 when charged to their account when signing in at the door). To keep this program as simple as possible there are no refunds for meals missed.
