Claims

Claims that are properly submitted by UCA's ITS office are sent to the underwriter every Wednesday and paid the following Thursday. Below is a quick review of what is required when submitting a claim:

Theft of a unit: Completed claim form, copy of a police report and documentation from Upper Columbia Academy showing the replacement value of the new unit.

Unit Damage: Completed claim form and documentation/estimate from repairer describing damage and cost to repair the unit. If the unit is not repairable, documentation is needed explaining the damage and that the unit is not repairable. Documentation from repairer needs to be on letterhead. An invoice or documentation showing the replacement value of the new unit would then be required.

Vandalism of a unit: Completed claim form, copy of a police report and repair estimate from repairer.
