

PAYROLL AGREEMENT

**(For Returning Students Only)**

I agree to abide by the work regulations established by the school, and I understand that noncompliance will result in my work termination and may be grounds for expulsion. I voluntarily assign the wages I earn as a student employee of Upper Columbia Conference to Upper Columbia Academy, for the sole purpose of paying my school tuition and fees. I understand that once my account has been paid in full, any wages I earn in excess of the tuition and fee amounts will be paid directly to me, the student employee. Labor credits earned during the summer will be held in trust for use toward future educational costs. I further agree to remain with my assigned job until the work coordinator authorizes and reassigns me to a different position.
