

Each student completes this form as part of the registration process. Thank you!

Prayer PATCH is a prayer ministry that has been active at Upper Columbia Academy for more than 20 years. Every year students are connected with a Prayer Guardian who volunteers to pray for the student(s) all year.

Please “introduce yourself” to your Prayer Guardian by completing this form so they know a little bit about you and your family. It will help them know how to pray for you more effectively.

Your Prayer Guardian will have your school email if you would like to correspond with him or her (it is optional). Please note that some of our Prayer Guardians don't have email addresses. Please check your school email at least weekly so you don't miss any information.

If you have a prayer request throughout the year, please email it to [prayer.patch@ucca.org](mailto:prayer.patch@ucca.org).
