

# UCA Foundation 6th Annual Golf Tournament

**Whole for One** - The elusive "hole in one" ... books have been written about it, articles abound on the subject ...

You now have the rare opportunity to gain this experience! Upper Columbia Academy Foundation is proud to present the **Whole for One** Tournament Friday, October 1st: Plan a 7:30 a.m. arrival for registration and access to driving range and putting greens, 8:00 shotgun start, at the Indian Canyon Golf Course. Course is 3 min. from airport and hotels... map on websites below.

The proceeds from the "whole" will make its way to the Foundation's "one" purpose – to provide scholarship assistance for students who might not otherwise be able to attend Upper Columbia Academy. The Upper Columbia Academy Foundation has pledged \$50,000 to students this school year and with your participation will continue to increase this sponsorship for coming years.

The Foundation really needs your financial support through your tax deductible donation of \$44 above the golf, cart, range, balls and lunch. We do not want to preclude anyone from playing however, if this creates a hardship for you at this time, we will have pledge cards at the registration table where even a \$5 a month donation would be gratefully accepted... 120 golfers needed!

There are many ways that you can participate:

- **Come and golf!!**
- **Invite your friends! We welcome all – UCA alumni or not.**
- **Donate – all gifts are a great help!**
- **Solicit sponsors. We need items for gift bags and/or team and hole sponsorships.**
- **Volunteer – we have a great job just waiting for you.**
