Alumni Homecoming
October 7 to 9, 2011

Welcome back!

It's been 65 years since UCA opened its doors to a wonderful group of energetic young people. Some of them are here today! As you re-connect with teachers and friends from those memorable academy years, we hope you experience the very special blessing being prayed for today.

Please register today to update your contact information so your name does not find its way onto our "Missing Alumni" list like the one in your bulletin. If you can help us locate any of these former students in preparation for next year's Alumni Homecoming, please contact the Alumni Office Booth in the back of the gym. Information may also be updated on UCA's web site: www.ucaa.org / alumni tab.

The **offering** today will be divided between two projects. It will benefit a group of worthy students who are at UCA only by the grace of God and the kindness of unselfish donors - and we'd like to keep them! You can help to make that possible. The other portion is for the building fund, which will provide a new cafeteria and dorm improvements.

Our **speaker** today is Elder Don Jacobsen '51, former president of Adventist World Radio.

Children's Meetings Sabbath Morning (10 a.m. – noon) are being hosted by the leadership team from our campus church. Please come with your child to register for a name tag. Cradle Roll children need a parent to stay with them, but Kindergarten through Junior age may attend without parental supervision once they are registered. Please pick up your children immediately after church.

Lunch will be served approximately 45 minutes after church. In order to facilitate a rapid turn-around, please move to the outside walls of the gym as soon as the service is over so students can work quickly to pick up the first 15 rows of chairs to make room for 8 buffet lines in the front of the gym. Hosts will dismiss you in groups to go through line. There is no charge for Sabbath lunch, but if you care to make a donation towards the school's expenses in providing it, it is always appreciated.

Honor Class Meetings begin at 2:30 this afternoon in designated rooms for picture taking and visiting. Unless otherwise listed, all locations are in the Campbell Administration Building.
