## Announcements

**Please register when you arrive** to update your contact information, so your name does not find its way onto our “Missing Alumni” list (found in your bulletin.) If you can help us locate any of these people in preparation for next year’s alumni weekend, please stop by the Alumni office table in the back of the gym.

**Children’s Meetings Sabbath Morning** (10 a.m. – noon) are being hosted by the leadership team from our campus church. Please come with your child to register for a name tag. Cradle Roll children need a parent to stay with them, but Kindergarten through Junior age may attend without parental supervision once they are registered. Please pick up your children immediately after church.

**The Offering** today will be divided between two projects. It will benefit a group of worthy students who are at UCA by the grace of God and the kindness of unselfish donors. We would very much like to keep them and your generosity can help to make that possible. The other part of the offering is for the building fund which is dedicated to a new cafeteria. Please see the drawings in the back of the gym!

**Our Speaker** this morning is Don Jacobsen ‘51. He is a retired pastor, professor, church administrator, and former president of Adventist World Radio. He has not retired from speaking, writing, coaching, traveling, and grandparenting, among other things. This afternoon at 4:00 pm, he will host a seminar of interest to teachers, parents, and grandparents based on his third and newest book, *RARE KIDS; WELL DONE*, dealing with the development of moral values in children. Don writes a monthly column for a Christian journal and a weekly column on parenting for several newspapers. He is also a certified life coach and administrator of the John Rosemond Leadership Parenting institute.

**Free Book** - For anyone who might benefit from a copy of 5 *SECRETS FOR PEACE IN A STORM* mentioned in today’s sermon. There are 100 of them at the Alumni Office table in the back of the gym . . . first come, first served. These are being provided as a gift for anyone finding themselves or a family member in the midst of an unexpected “storm.”

**Lunch will be served** 45 minutes after church. To facilitate a rapid turn-around, please move to the outside walls of the gym at the conclusion of the service so students can quickly pick up the first 15 rows of chairs to make room for the 8 buffet lines in front of the stage. Hosts will dismiss you in groups to go through line. Everyone should be fed in 30 minutes. There is no charge for Sabbath lunch. Donations are accepted, but not expected.

If you have not registered for the **Peach Fun Run** on Sunday you can just show up and you’ll be welcome! Those who walk, run, or cheer others on are invited for breakfast following the event.

**Tuition Incentive Plan (TIP)** – UCA is offering increasing reductions in the cost of each year a student attends. The bottom line? A 4 year senior can get 4 years of tuition at UCA for the price of 3! UCA is trying to think outside the box to make it possible for more of our kids to afford an Adventist education. If you know of a young person who should be here, please contact our recruiter, Joe Hess at the booth in the back of the gym or at 509-245-3680 / joe.hess@uca.org.
