Dear Parents:

God has richly blessed UCA with 270 amazing students this year! We can really feel the Holy Spirit working on campus, and are excited to see what God will do for the 2011-2012 school year. The students and staff have been extremely busy these first few weeks with class night, freshman campout, sophomore campout, junior Outdoor Ed., senior survival, and fall picnic. As things slow down the students will start missing you as much as you are missing them.

Parent Weekend is an opportunity for you to enjoy spending valuable time with your child and experience a little of their life here at UCA. This is also a perfect opportunity to visit with and get to know the staff. It's always a pleasure for us to meet the families of our students.

Please join us **November 11-13** for this special weekend. Enclosed is a schedule of events. RV's are welcome to park on the campus. There are limited rooms available in the dorms, so please contact the deans as soon as possible.

Parent/Teacher conferences will be held Sabbath evening after sundown and Sunday morning. **Appointments can be scheduled by calling 509-245-3627 no later than Wednesday, November 9.** A huge thank you to all the local parents are willing to schedule time with teachers other than during parent weekend, allowing enough time for those who live far away.

We hope you will be able to come and spend time with your child and with us. We look forward to seeing you on campus.

If you have any questions, please contact me.
