Speed Reading

Love of Reading

Program for 4-year-olds and entering kindergartners:

Your child will learn beginning phonics and reading readiness skills, build comprehension, and develop a love of books and reading. This program lays the foundation for a strong start in reading and school.

Program for entering 1st graders:

In this program, students learn to read independently. Your child will learn phonics and sight words, build comprehension, and gain the skills and confidence needed for success in first grade.

Program for entering 2nd graders:

In this program, students become fluent independent readers. Your child will make significant gains in phonics and word-attack skills, fluency, and comprehension, and will develop confidence and a love of reading.

Program for entering 3rd graders:

In this program, students become strong independent readers. Your child will develop the comprehension, fluency, and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

Program for entering 4th and 5th graders:

In this program, students make substantial gains in comprehension, long-word decoding skills, fluency, and reading speed. Your child will complete homework more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

Program for entering 6th-8th graders and

Program for entering 9th-11th graders:

Students in these programs make substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.

Program for entering 12th graders, college students, and adults:

This program will transform your reading skills. You will double your reading speed in difficult material and triple your reading speed in easier material, while improving comprehension, concentration, and recall. As a result, you'll save a lot of time and get more out of everything you read.

Teachers

Programs are offered as a service to the community by Washington State University, Center for Distance and Professional Education, a non-profit organization. Classes are taught by professional instructors from the Institute of Reading Development.

Exciting Results

"After taking this class, my reading speed has doubled, and my comprehension has definitely improved. The textbook skills I've learned will really help me when I go on to college. Reading is more enjoyable now - I don't stress about it."

- Morgan, 11th grader

Class Schedule
