THANKS!!

Thank you to the management and staff of the Fox Theater for being so gracious, professional and accommodating. We love coming here each Christmas, and we thank you for your help in making our programs such a memorable experience for our students and guests!

Thank you students for your hard work and dedication in the weeks before tonight's concert. You are a joy to work with!! Have a blessed and restful Christmas and we'll see you next year!

Our highest praise and deepest gratitude go to God, the giver of every good gift, including music, which we use to celebrate the greatest Gift of all, Jesus Christ. His gift, which we remember at Christmas, changed everything. May we each live ready for His second advent.

As a Music Department Staff, we must acknowledge the fact that we are most blessed to have such a supportive administration and constituency. This support is evidenced throughout the year, but especially in the privilege we have of performing each Christmas in the FOX - clearly the finest performance venue in our region. A sincere Thank You from all of us.

All music for tonight's program was purchased from Spokane's very own Bell Buggy Express. Blanche Kangas, owner, is a very valuable resource, mentor and friend to the UCA Music Department. With more than 50 years of experience in music education at all levels, and a broad knowledge of all genres, she is able to help church musicians, educators and performers alike. The Bell Buggy has the most helpful and efficient service of any music supplier. There is a cash discount for quantity order invoices paid within 30 days.

Give the Bell Buggy a try - you'll be glad you did!
