Thank you for
seeing a need
and filling it!

December 2013

Dear Alumni, Parents and Friends of UCA,

I'm writing with Good News: UCA's new Dining Commons and Water Tower Student Plaza are done! We are moved in and operational. We're so excited; we just had to share it with you.

A wonderful group of people have made this day possible by generously donating time, materials and/or hard-earned cash. THANK YOU! We have a superb new addition to our campus, anchored on higher ground.

Though the contractors are done, we are not—at least with the fundraising and a few inside projects. Twenty two months into our three year campaign we are on track with \$2,475,000+ million in hand or in secured pledges with \$1,027,000+ left to raise. That amount however, does not include chairs and tables or a clock for the tower.

The good news is, it's not too late to make a significant impact on our Capital Campaign. On the next few pages, you will find a number of tax deductible Christmas gift ideas that will benefit a terrific school and its students, starting with \$1 per brick on up to \$180,000 for the new road, which we will gladly name for the person who donates that amount! Every dollar and every zero attached to it, adds up.

A limited number of 12 x 12 cement pavers are being offered for engraving. Each one is \$450 and the amount, like any gift to this project, may be spread out over a year or more, if needed. See the form in the inside back page to reserve yours now.

I will be praying as you consider what you can do, either for the first time, or by giving again! A tax deductible receipt will be sent to you in the mail.

P.S. Classes of 1992 - 2002, every dollar you give to the Dining Commons Project will be matched by a donor who is anxious for you to experience the enjoyment and blessings of giving to a great cause!

It's all about them . . .

Our students are what UCA is all about. An excellent program, a nice campus, and a wonderful faculty would not be necessary without the 264 kids currently registered. Sixty percent or 158 of them need financial aid to be here.

If your passion is supporting worthy students rather than campus improvements, we gratefully accept your help to keep a terrific group of God's kids in His school. For those of you who were here as a student because someone else cared enough to invest in you, maybe you'd like to pass on the kindness as a gesture of appreciation.

Here's what it costs to go to UCA:

Dorm Students - \$16,700/year

Day Students - \$9,900/year

- Tuition:
\$220 pays for 1 week or \$880 pays for 1 month
- Dorm:
\$77.50 pays for 1 week or \$310 pays for 1 month
- Food:
\$13.25 feeds a student for 1 day, \$92.50 feeds a student for 1 week or \$370 per month
- Fees:
\$1,110 per year covers the cost of text books, a laptop, class dues, accident insurance and miscellaneous expenses

Complete, tear off and return in the enclosed envelope with your tax deductible contribution. Thank you!
