Bob Larrabee Memorial Tournament

Tournament Purpose

The sole purpose of FoundationONE is to award grants and scholarships young people, making it possible for them to engage in Upper Columbia Academy's (UCA) life transforming Christian education. Clear thinking, compassionate, authentic young leaders—that is our passion. That is our goal!

FoundationONE was established in 2004 by visionary, entrepreneurial alumni, and Bob Larrabee was one of its founders. He loved to reminisce about his academy experiences and, until his death in 2011, he held close the friendships formed at UCA. Bob was foremost in promoting golf as a way to raise money. Thus in 2012, the annual FoundationONE Golf Tournament was named the Bob Larrabee Memorial Tournament.

The cost of a private education is significant and growing each year. Tuition, board, room and fees are already beyond the reach of many families and the gap grows larger each year. By raising funds and managing an endowment, FoundationONE is able to offer financial assistance to qualifying students.

Since inception, FoundationONE has awarded more than 700 grants and scholarships. Proceeds from the tournament provide unrestricted dollars so that FoundationONE can continue its important mission.

President Doug Wells says, "Our 3-5 year goal is to double the amount of our current endowment, and then the next goal will be to double that amount. Ultimately the goal is to grow the Endowment to the point that every student desiring a Christian education at UCA will not be denied that opportunity due to financial hardship."
