

## Day Student Meals

Each year UCA has a variety of special functions that include meals, which for our day students are included in a \$50/semester fee.

Normal meal charges apply for all other meals. This rate is \$7.00 per meal if paid with check or cash and \$8.00 if charged to a student's account.\*

There is a sign up sheet in the cafeteria where students must sign in by initialing the accounting sheet at checker's stand to charge to their account. The price is \$8.00.
