

Day Student Meals

Each year UCA has a variety of special functions that include meals, which we welcome and encourage our day students to participate in fully. You will not see an additional charge for your student when they join dorm students for these events.

Normal meal charges apply for all other meals. This rate is \$7.00 per meal if paid with check or cash and \$8.00 if charged to a student's account.*

There is a sign-up sheet in the cafeteria where students must sign in by initialing the accounting sheet at checker's stand to charge to their account. The price is \$8.00.

Included meals throughout the year:
