YAKIMA VALLEY ACADEMY

HISTORY

The Yakima Valley Academy was opened in the fall of 1920 at Granger, Washington. It has had three prosperous school years and has shown the necessity of having an academy for the young people of Upper Columbia Conference. With the hearty and loyal support of our people in this Conference it is growing each year.

LOCATION

The city of Granger is located in the midst of the famous irrigated district of the Yakima Valley. Two railroads, the Northern Pacific and the O.-W. R. & N. Co., pass near the buildings, making the Academy of easy access. The school is situated on the edge of town practically segregated from the business section. A beautiful grove just across the road is our play ground and campus, while the green alfalfa surrounds us on three sides. The people of Granger have shown a splendid spirit of cooperation and liberality toward the Academy and through their assistance we have five acres of rich irrigated land. A small herd of grade cows furnishes milk for the students.

BUILDINGS

The Academy building is a three-story fire proof, solid brick structure, having the form of a right angle. It costs \$55,000.00 to build. Besides being steam heated and electrically lighted, most of the rooms are connected with hot and cold water. The basement contains a large well lighted dining room, kitchen, deck room, fruit room and laundry. The laundry is equipped with modern machinery. The first floor is used for administrative purposes. It contains five well lighted class rooms, library, lobby and chapel.

The two upper floors provide ample dormitory facilities. Each floor has twenty two rooms, a parlor and two bath rooms. The ladies occupy the second floor and the men the third floor.

The rooms in the dormitory are well lighted and ventilated.

A woodwork shop is located to the rear of the Academy building. Prospects are good for the erection of a new barn this fall.

THE PURPOSE OF THE ACADEMY

The object of the school is to train workers for the cause of God. The privileges of the Academy are not limited to Christian young people nor even to those of the Seventh-day Adventist faith.

YAKIMA VALLEY ACADEMY

All persons of good moral character without regard to religious experience or belief are admitted to its classes on equal terms. The only requirements are that all cheerfully comply with the regulations of the school.

There is another class of students that the Academy will be glad to welcome. In many of our churches there are middle-aged men and women whose educational advantages were limited in their younger days, but who possess good natural ability and love the truth. Such could with some training, make acceptable laborers. Most excellent workers have come from this class. The faculty will take great pleasure in assisting such students to select from the course studies adapted to their needs.

LIBRARY

We are justly proud of our library because it is a memorial to the patriotism of our students. On our library campaign we asked for 500 good books and they brought in 4,000. We cannot use them all but our library now has over 2,500 volumes of worth while books. The library is open every day of the school year except Sabbath (Saturday), to all students. Attendants are in charge who promptly and courteously look after the wants of the students.

SCHOLARSHIP PLAN

The scholarship usually offered to colporteurs will be gladly accepted. These arrangements should be made through the Upper Columbia Tract Society.

YE VIKING ASSOCIATION

Ye Viking Association is the literary and progressive idea of the students. It has accomplished great things for the school this year and we know it's functions will improve next year.

MISSIONARY VOLUNTEER SOCIETY

The Missionary Volunteer Society is in charge of all the religious activities of the school; chiefly among these are

THE MISSION BANDS

The Mission bands have been organized in the school for several years. Inasmuch as the work in the distant fields of the earth is the burden of all who look for the second coming of Christ, it seems only natural that every wide-awake young man and woman of today should pledge himself to work anywhere the Lord may call him.

RADIO

Our Radio is in good working order. We plan on a loud speaker next fall. The students enjoy the programs given.

General Regulations

These regulations govern all students of the Academy during the entire school year.

No student will be tolerated in the the membership of the Academy who either publicly or privately seeks to disseminate immoral, infidel or atheistic ideas among his fellow students.

No student shall enter or leave any class or department except by permission of the principal.

Permission for absence from the Academy during the daily session must be obtained from the principal.

Any student leaving school or dropping any class during the course of the semester, will be charged at full rate, unless due notice is given of such change.

Each student will be required to pay damages done by him to the property of the institution. The management will not be held responsible for any unauthorized purchases by students.

Four regular studies and one vocational will be considered the maximum year's work. No student will be allowed to take more unless by special permission of the faculty, the request and the reasons therefor having been previously stated in writing.

Punctual attendance at all regular exercises in the school is expected. Unavoidable absences will be excused if presented in writing within the time specified by the action and advisement of the faculty.

Students presenting grades from private teachers must submit satisfactory evidence of the teacher's qualifications, and pass such tests as shall satisfy the head of the department for which credit is desired.

Firearms are not necessary in schools; students must leave them at home.

Ladies and gentlemen are not allowed to associate only by permission. On no occasion will students of different sex be allowed to visit one another's rooms. Occasionally receptions are held when teachers and students may come together for social improvement.

Gentlemen shall not escort ladies on the street, or to or from public gatherings.

All students are expected to maintain a proper degree of reserve in their association with the opposite sex. Improper associ-

ations, sentimentalism and flirtation, are contrary to the usages of good society.

The school reserves the right to regulate any evils which may arise from this source.

The seventh-day (Saturday) is the day observed as the Sabbath at the Academy, and proper quiet and respect will be required of all students. Engaging in sports or recreation on that day, or attending any game, is entirely out of harmony with the spirit of the institution, and will not be permitted.

Students are expected to attend regular chapel exercises on school days, Friday evening students' meeting, the Sabbath school and general Sabbath services. Students are expected to deport themselves in such a manner as will be in harmony with the sacred character of these services.

Disorderly behavior, card playing, profane or unbecoming language, novel reading and the use of tobacco and alcoholic drinks are forbidden. Harmful literature including books and magazines of fiction and cheap popular music will not be allowed in the home. Visiting billiard rooms, theatres, movies or gambling places or any entertainment of an objectionable character is strictly forbidden.

The modern trend is to make the school a community center. Actual experience has shown that better cooperation, and a better understanding results when both resident and home students are placed as fully as possible on the same basis. Entertainments and social gatherings will be held occasionally by the school for all the students. This will take the place of parties and local mixed gatherings.

Automobile riding by couples, day or night, will not be permitted.

Finger rings and other unnecessary jewelry will not be worn. If you bring things of this character into the school, the business manager will deposit them in the safe for you until the close of school.

A student failing to make a passing grade in two studies during the same term will be reported to the faculty for action in relation to his further connection with the school.

All students falling below 90 in their studies will be required to attend supervised study in the Library every study period.

Students are not permitted to be in the kitchen, dining room or laundry unless employed there at the time.

Since the domestic work is a part payment of the student's expenses, faithfulness is expected on the part of each, and anyone

found interfering with another while at his work will be subject to discipline at the discretion of the one in charge.

Any member of the Academy family desiring to entertain guests in the Home must make previous arrangements with the preceptor or preceptress, and if it is desired to take guests to the dining room, definite arrangements must be made beforehand with the matron.

The lights will go out at 9:30 P. M. at which time all students are expected to have retired.

Any regulations passed by the faculty, and announced to the school will be considered as effectual as those announced in the calendar.

The School Home

The managers of the Academy are convinced that the plan of home life adopted is of great value as an aid in the proper development of Christian character, and they earnestly recommend that all parents living at a distance, who send their children to school, make provisions for them to live at the Academy home. Those who are sent here to work for their board in private families are, by that arrangement, deprived of a large degree of the special privileges and benefits which they might otherwise enjoy. However, an opportunity to work for expenses in school is an excellent thing for one who is desiring to obtain an education, and who cannot otherwise obtain it.

Students are not allowed to board themselves, nor may they carry foods from the dining room to the dormitories, with the exception of fresh fruits.

Since the management of the school is held responsible for young people placed in their care, all unmarried young people are required to room in the school dormitory, except by special permission from the board. Youth under fourteen years of age will not be received as members of the school family except by special arrangements.

MORNING AND EVENING WORSHIP

The home is conducted on the same principle as are all well regulated Christian homes. Family worship is maintained regularly both morning and evening for all the young people of the home. These services are under the direction of the preceptor and preceptress and much care is taken to make them beneficial to all. Satisfactory excuses are required in all cases for absences.

HOME REGULATIONS

The following rules are a part of the regulations of this institution and all students in matriculating pledge themselves to strictly conform to them. Students must be familiar with and understand these regulations.

1. You will be held responsible for damages done to the furniture or walls of your room by marking, nails, tacks, pins, paste or glue.
2. A fine of \$1.00 will be charged to anyone found on the fire-escape. Second offense expulsion.
3. Always extinguish your light on leaving your room even if but for a few minutes.

4. Room furnishings are not to be exchanged except by order of the preceptor or preceptress.

5. No loud, boisterous or unbecoming language is to be used in the rooms or halls at any time.

6. When wishing to study together in other than your own room, obtain permission from the one in charge.

7. Do not throw anything out of the windows. Use a waste basket.

8. If you accept work, you are held responsible for it till excused.

9. Be regular and prompt in all your appointments.

10. Promptly report all breakages and needed repairs.

11. No candles or kerosene lamps will be allowed in the rooms.

12. Flesh meats of any kind are not served, and must not be brought into the school home. Parents are requested not to send food to their children, unless it be fresh fruits. Experience has demonstrated that food sent in by the parents produces irregularity on the part of the students, and often leads to infringement of the regulations of the school.

13. Students must obtain permission from preceptor or preceptress when desiring to leave the campus.

14. Students are not permitted to visit each others rooms from 6:00 P. M. to 5:30 A. M.

WHAT ALL HOME STUDENTS SHOULD BRING

Each student in the Home should bring the following:

Scissors, thimble, needle and thread; six towels, one pillow, four pillow slips, three sheets, one bed spread, bedding for a double bed, bath robe; table cover for study 2½ feet by 3½; toilet soap; hot water bottle; fomentation cloths; and strong laundry bag, noiseless slippers. The student's name should be indelibly marked on every article of clothing and bedding before leaving home. The school will not be responsible for lost clothing.

No rugs, carpets or lace curtains are furnished with the rooms; students desiring these things should bring them from home. It is of great importance to the student that his room be tastefully arranged. When one enters school, it is economy to spend some money in buying permanent things to make his room homelike. We believe that students should furnish their rooms so that when they enter them there will come a feeling of rest and satisfaction. They should enjoy being in their rooms because of their pleasant conditions. It is in his room that the student does his work, principally. Gentlemen should be provided with suitable outdoor work clothes.

SPECIAL INSTRUCTIONS TO YOUNG LADIES

We are judged by our style of dress. A frivolous dress marks a girl as shallow and undependable. An extravagant dress is evidence of poor taste and poor financial ability. An untidy dress curtails one's influence. A dress that is not appropriate makes one self-conscious and ill at ease. While on the other hand, a neat, clean, modest dress inspires confidence and self-respect, and is in keeping with our faith.

We have observed here as everywhere a growing tendency toward extravagance in dress. The discussions of the dress question during the past year have presented to us many problems, and we appeal to parents and guardians to help secure for our girls a good influence, by giving them the benefits of simple, harmonious and healthful dress.

We trust that the parents and guardians, also our girls, will appreciate the spirit in which these suggestions for dress are made, and will faithfully endeavor to carry out the principles outlined in this calendar. They are given for the purpose of saving needless expense and of maintaining a high and noble standard in our school, thus fitting our young women to become noble, modest, Christian characters that God can use in the finishing of the work.

FOR SCHOOL

A uniform dress is not required. However, we do recommend simple, one-piece dresses or middy suits. Life at school is such that elaborate clothes are out of place.

It is preferred that sleeves cover the elbow, and the modern style of slitting the dress on the shoulder or upper sleeve will not be permitted. Dresses should come within 13 inches of the floor. The neck of every dress when made round or square should come within an inch of the clavicle and when made "V" shape may be two inches below the clavicle.

FOR DOMESTIC WORK

As all domestic work in the school is done by the students, an appropriate work dress is a necessity. For kitchen and laundry work a cover-all apron is advisable.

Regulations of the Course of Study

GENERAL STATEMENT

Four academic studies and one drill, or a vocational subject constitute full work. No student will be permitted to take more than full work without special permission from the faculty. Additional tuition will be charged for all extra classes, such as a vocational study or music.

No classes will be changed or private lessons given, or received without making arrangements with the faculty.

ABSENCES

The student is held responsible to the instructor for absence from any class, and to the principal for absence from chapel. Each excuse must be signed by the student making the request, and countersigned by the preceptor, preceptress, parent or guardian. The excuse must be presented not later than Tuesday noon, immediately following the week in which the absence occurred. The names of those neglecting to do this will be posted on the bulletin board Wednesday morning, and a charge of twenty-five cents will be made for the removal of a name. Neglect to have the name removed will bar the student from all classes beginning Friday morning, and three postings of a name during a semester suspends the student from school, a fee of one dollar being required for re-entrance.

EXAMINATIONS

Written tests and daily average of class work determine the grade for the school period. At the close of each semester all students will be required to take the semester examinations. Reports of standing are made in duplicate to the student and his parents at

the close of each semester. These grade cards should be preserved for reference. A charge of \$1.00 will be made for special examinations.

CREDIT FORFEITURE

All students are required to be regular in attendance at all exercises. If the number of absences in any class exceed fifteen per cent of the whole number of exercises in the class, the student thereby forfeits his class credit.

Course of Study

(Subject to change at Educational Convention)

"Bible study is especially needed in our schools. Students should be rooted and grounded in divine truth. Their attention should be called, not to the assertions of men, but to the Word of God. Above all other books, the Word of God must be our study. . . . And our children are to be educated in the truth found therein, irrespective of previous habits and customs. In doing this teachers and students will find the hidden treasure, the higher education."
