... As seniors we look out at the world a bit nervously. We gingerly make plans for an uncertain future; what will it hold? We cherish the laughter shared with friends, the pride of finally being able to say, "Yeah, we're seniors!" Sooner than any of us expect, we will remember these as the "good old days" ...

Life in the Girls' Dorm

is full of study hall passes, harrassing the local R.A., gymnastics in the hall, water art on the floor, cold showers, and being checked in three times a night!

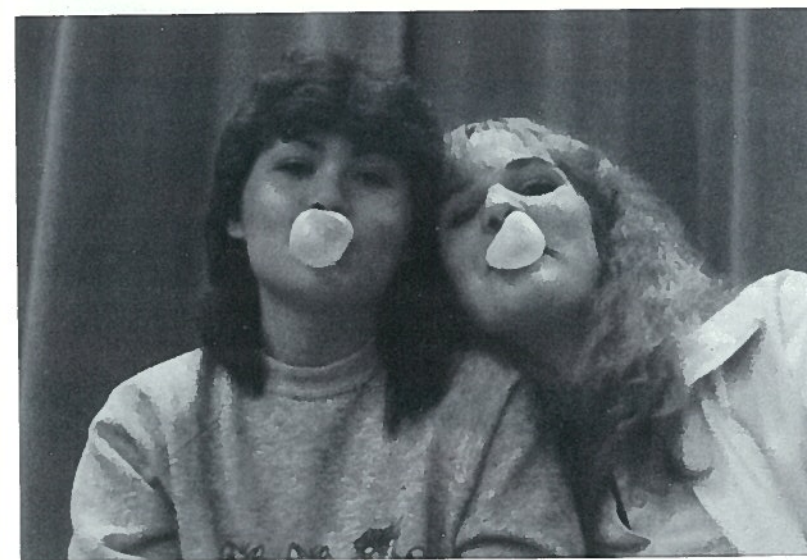

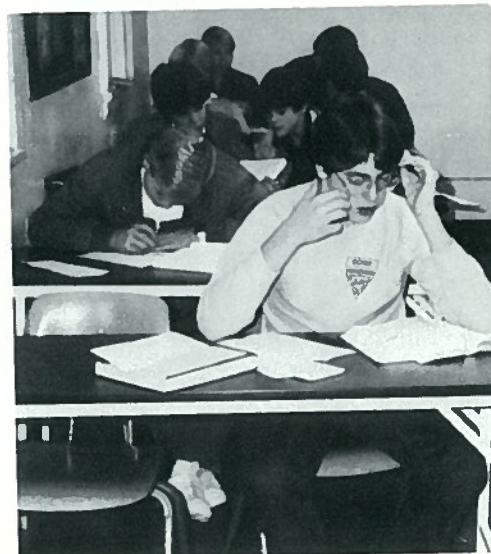

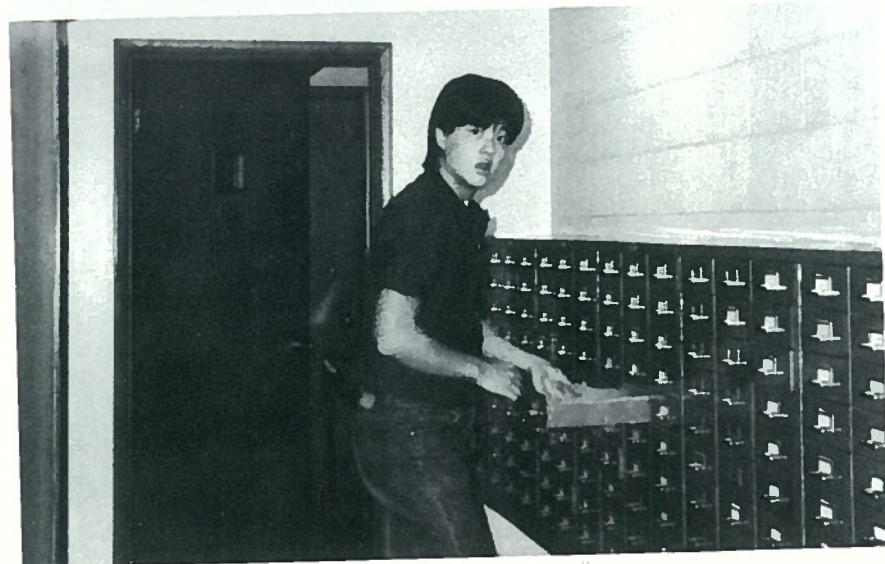

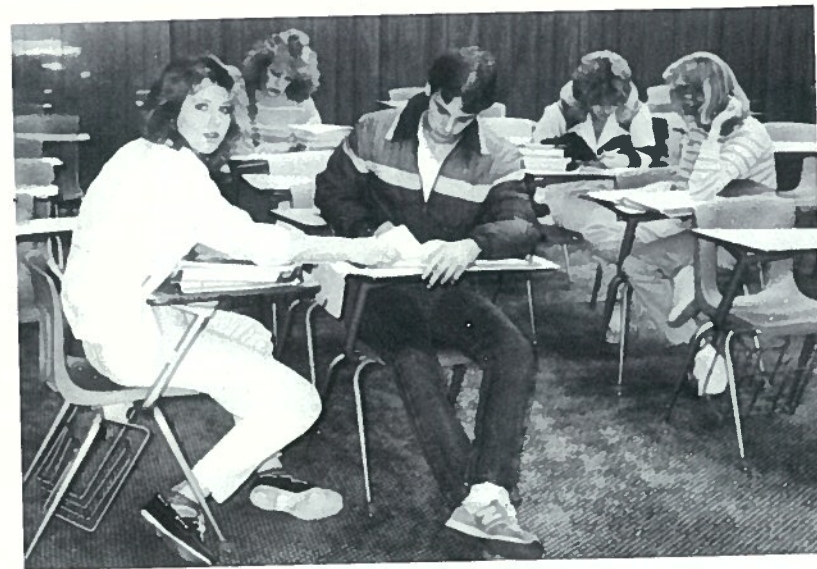

Life in the Boys' Dorm

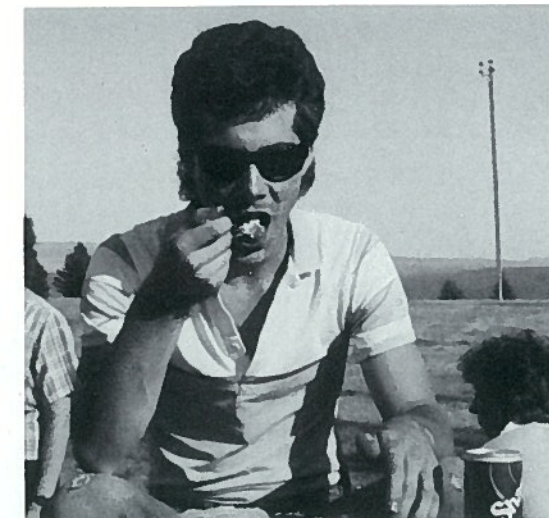

is boxing during study hall, penny-jamming the doors, swimming in the showers, playing Monopoly 'til 5:00 A.M., nervously waiting in the chapel late at night while the dean searches rooms.

Playperiod

Playperiod . . . Fast times at U.C.A. include: Bob Johnson yelling at the referees during a game, "Lovers" lying on the mats gazing into each others eyes, Ms. Van der Molen blinking the lights early and telling the slower students to scat using wild threats. Finally, some seniors knowing what playperiod is all about, retreat to an evening in their rooms . . . This concludes an evening of our social life at U.C.A.!!

Spiritual Retreat

A time to draw closer to God through nature and friendships . . .

Week of Prayer

A time for dressing up, shortened schedules, and less homework; but most of all a time to renew our relationship with God!

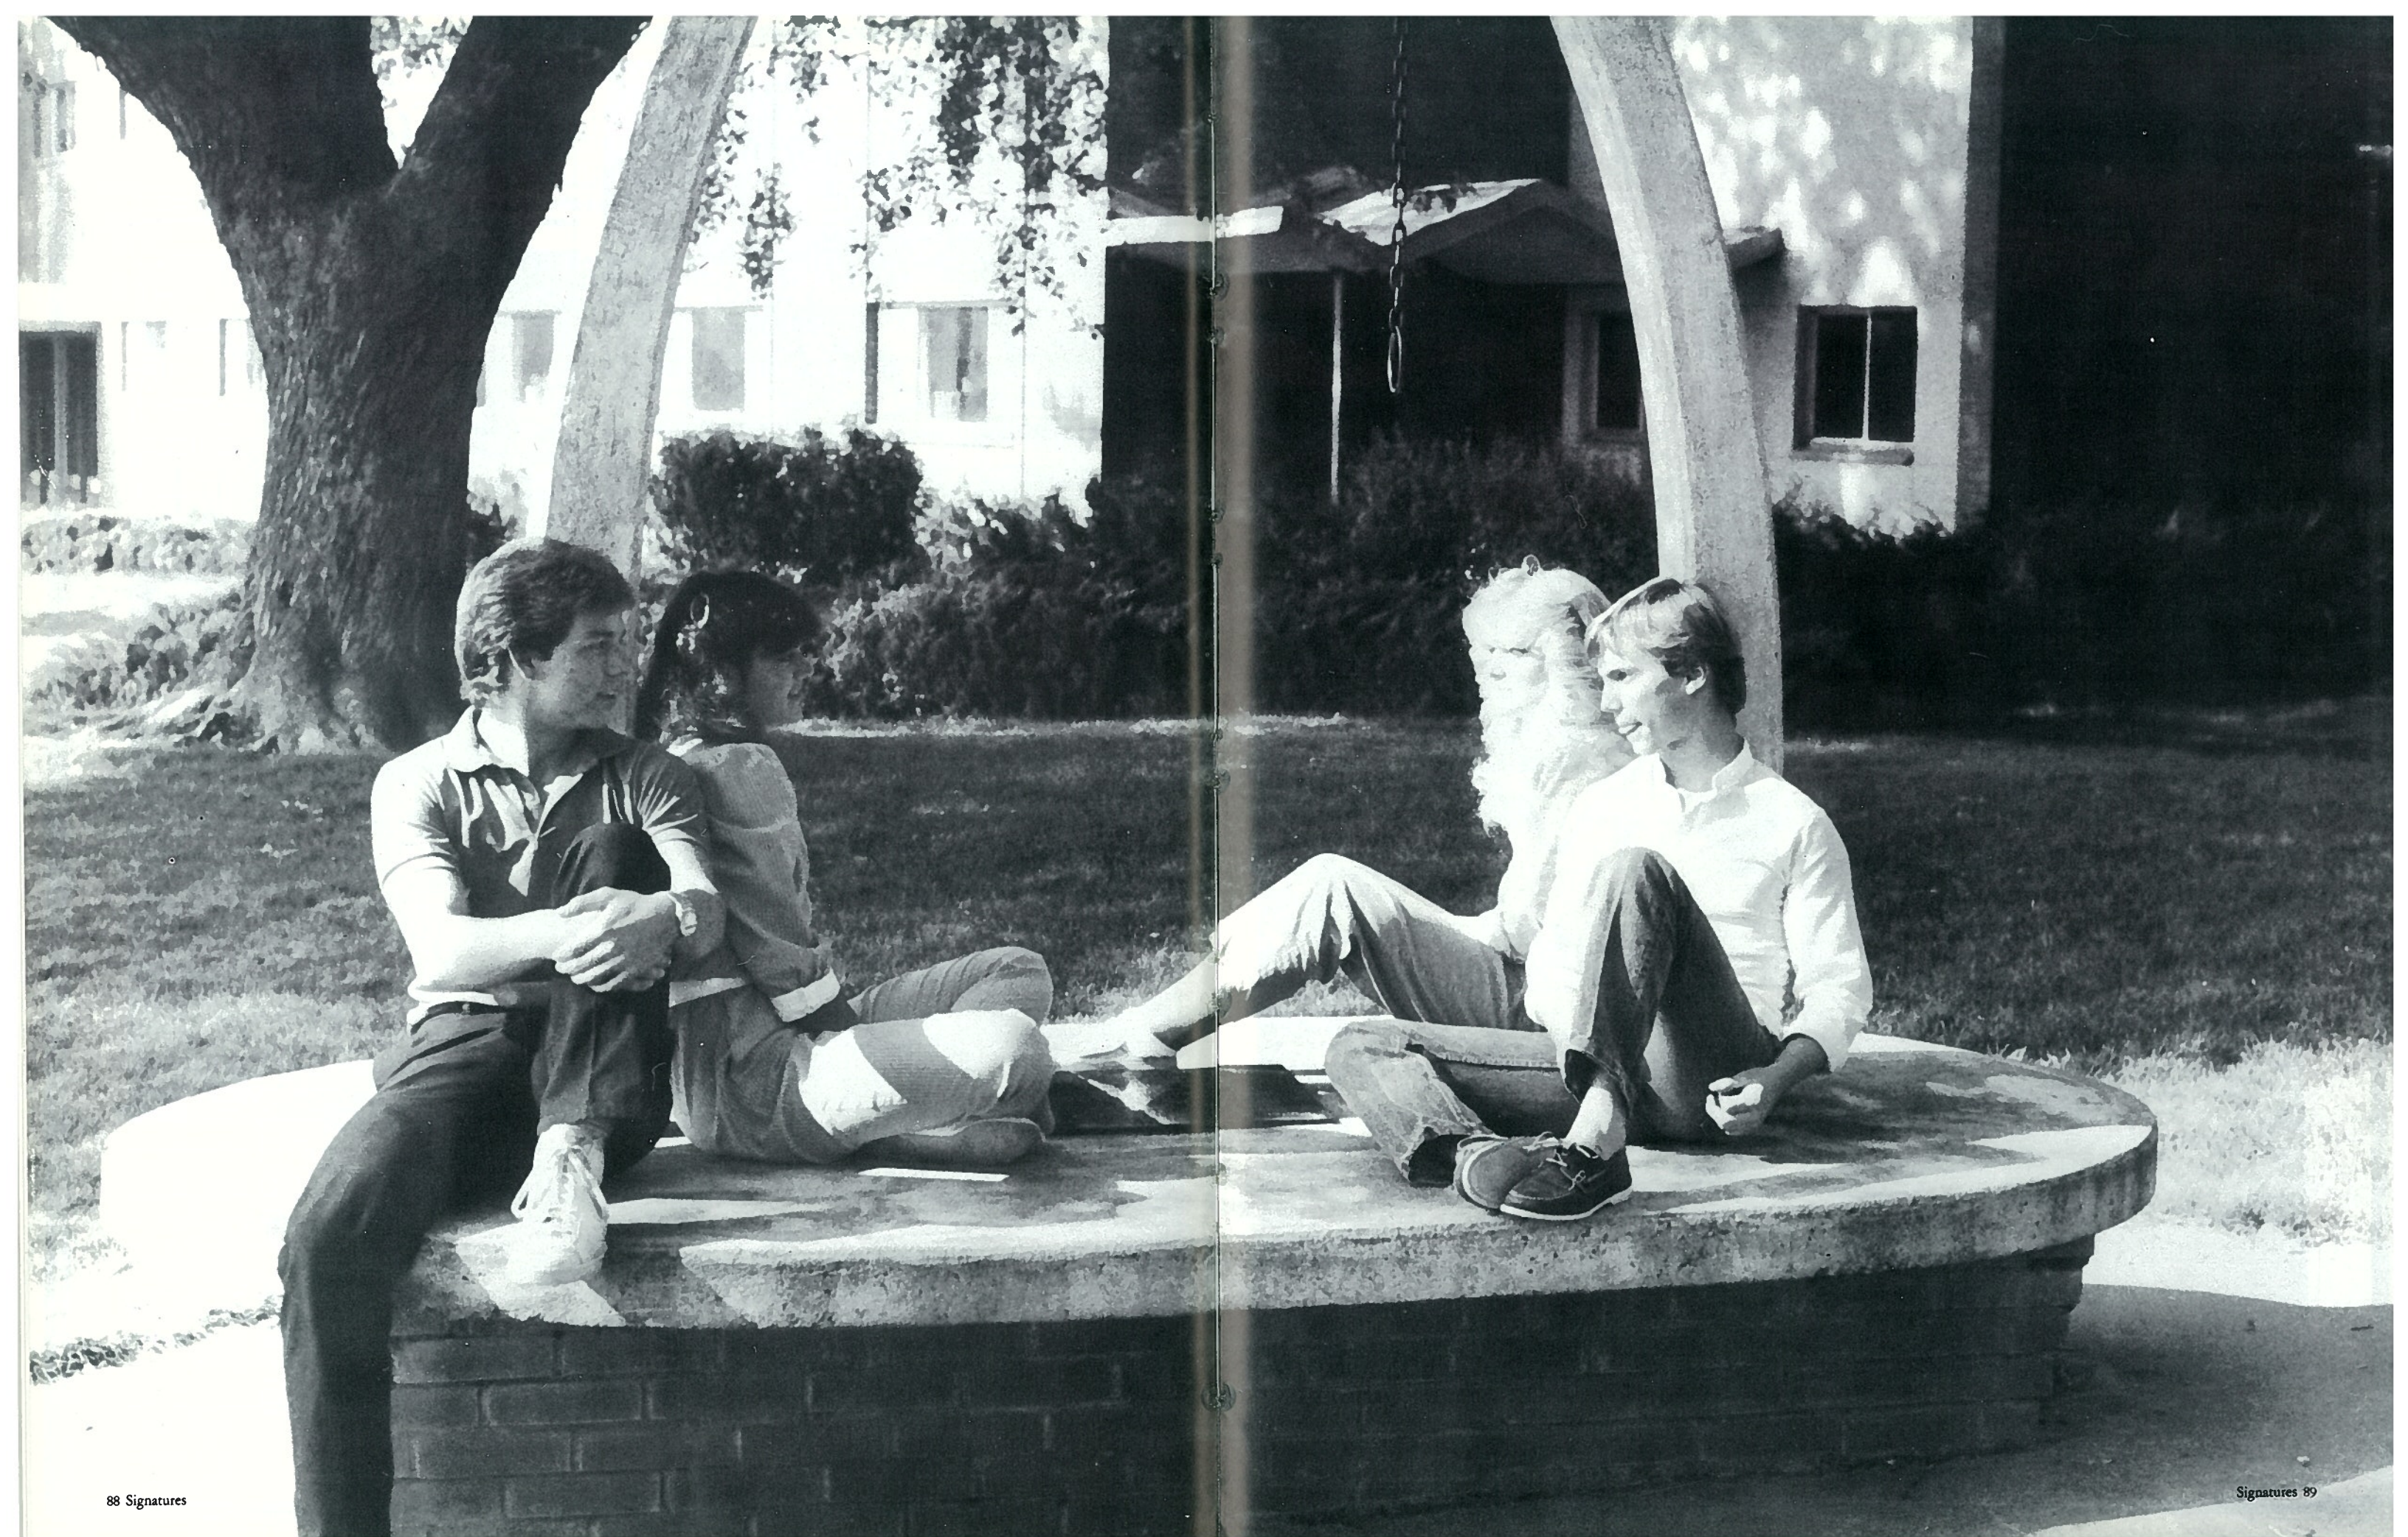

Bible Conference

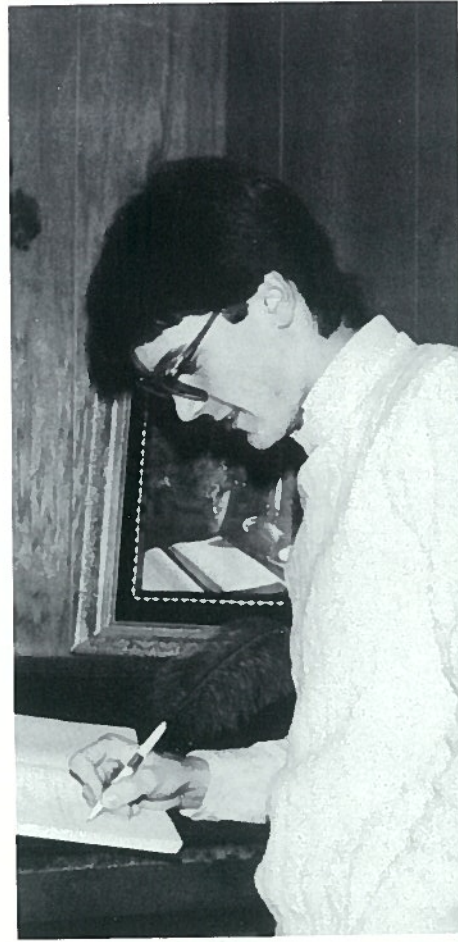

Student Week of Prayer

"The Happy Hour" was the theme of the Student Week of Prayer. All the speakers were excited about their talks on friendship, school spirit, and many topics relating to the relationships between God, others, and us. The speakers were Jeff Baker, Patty Stubbs, Tammi Graham, Jay Smith, Carley O'Lennick, Corey Silcox, Jeff Huston, Jeff Hurst, David Schroetlin, Duayne Yates, Denis Beaulieu, Shannon Robinson, Cheree Stone, Terry McLeod.

Rosalia

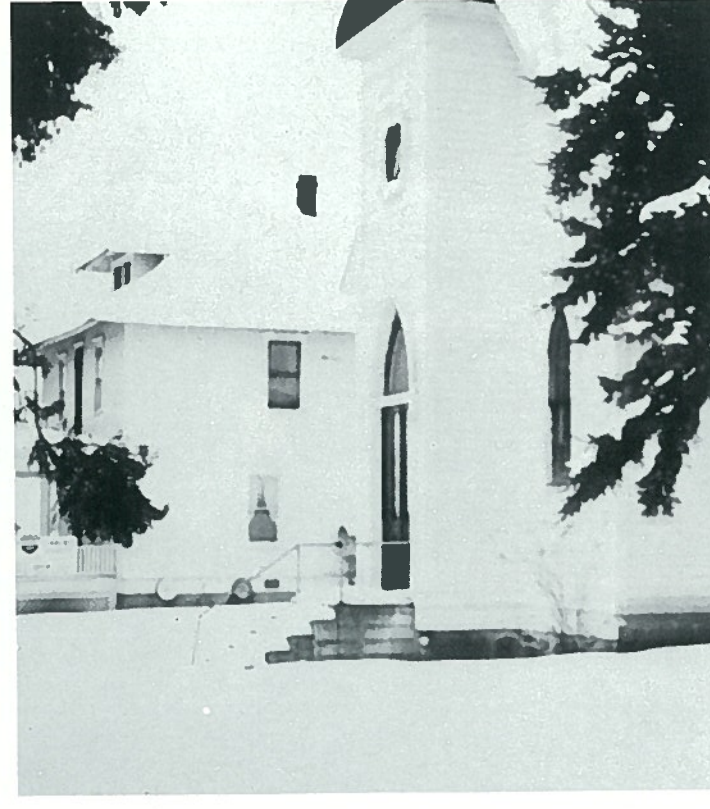

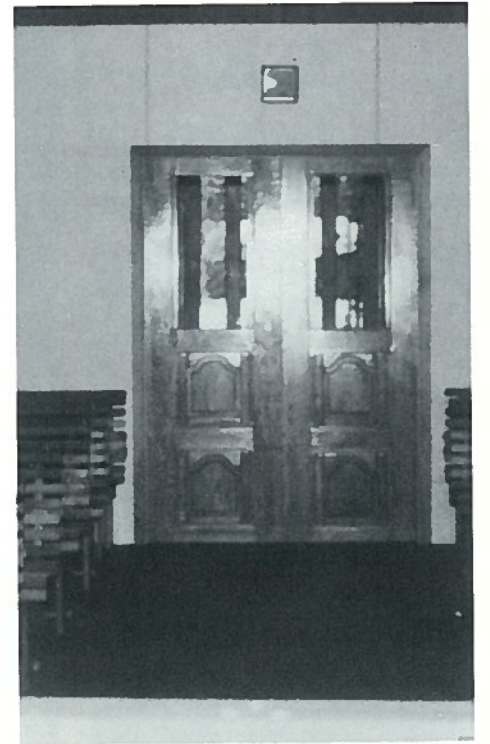

... Like the "Church in the Valley", we too are small; but God's love abounds here.

We go visiting and caroling door-to-door to get to know the people in the community.

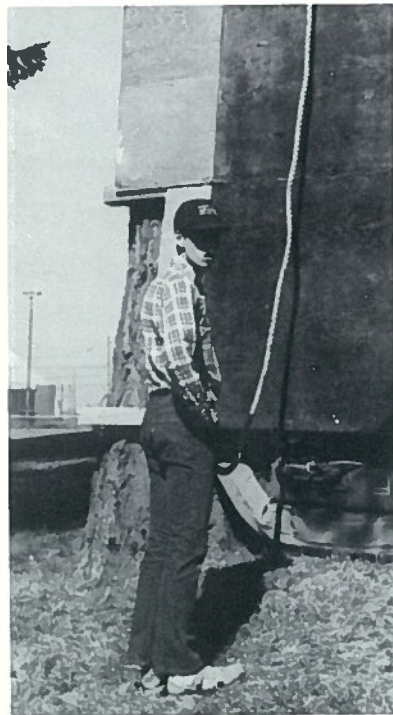

Christmas time found us performing a special concert. Many people came and everyone seemed to enjoy it.

Our Rosalia retreat involved discovering one another and our world around us.

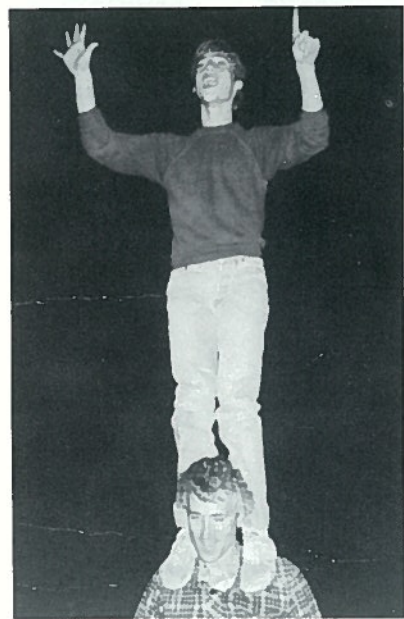

Attending the Rosalia Church has proved to be rewarding for each participant.
