UPPER COLUMBIA ACADEMY

Spangle, Washington

Foreword

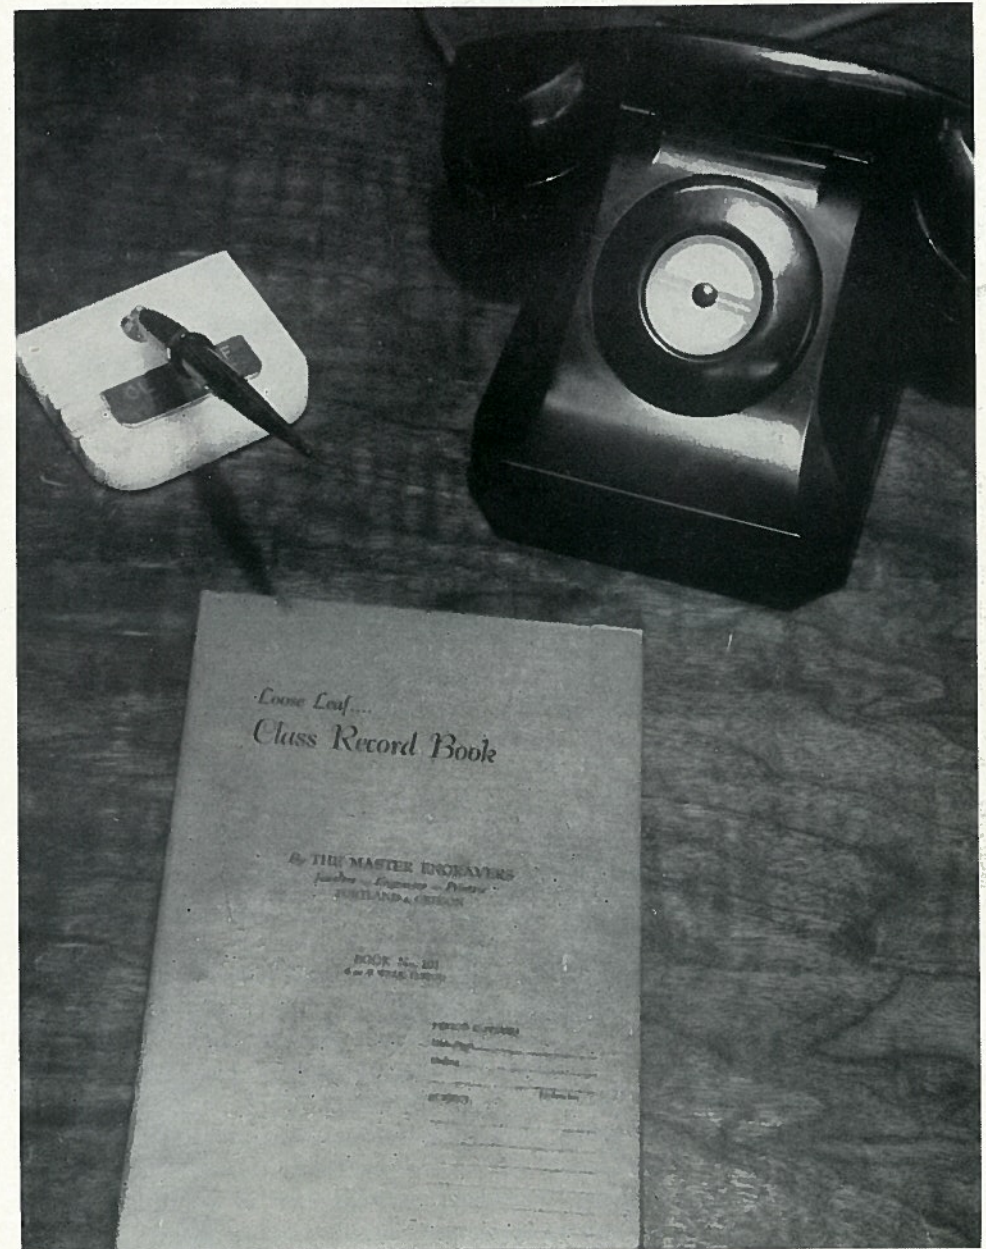

To a glance backward! May this log presented by your school annual staff please all of you is our wish. When the voyage of another school year brings you back to home port you will have this 1949 ECHO LOG by which you will be able to remember the many friendships and joys experienced during the happy days spent at Upper Columbia Academy.

Dedication

To show our appreciation of your fine Christian example as our dean of boys, as a history teacher, for showing your friendly interest and untiring efforts to make this school a good school, we, the annual staff, take great pleasure in dedicating this, our 1949 Echo Log, to you, Mr. Wallace.

Administration

Principal's Message

The youth of the church have taken upon themselves the responsibility of carrying the gospel to all the world in this generation. To prepare them for this noble task is our purpose.

Because of the generosity by sacrifice of the loyal believers of this great conference, Upper Columbia Academy is prepared to provide the kind of education for which God has provided the blue-print: symmetrical development of the mental, spiritual, and physical powers in an environment close to the soil away from the cities.

We are very anxious that all students of academy grades in the Upper Columbia Conference will give us an opportunity to study future educational needs with them. The thing we want most of all to do is to help you, and to that end we pledge our best efforts.

W. L. SCHOEPFLIN.

Church School

The church school located on the campus of Upper Columbia Academy has been making steady progress during the last three years. The enrollment has more than doubled and several much-needed pieces of equipment have been added. The most valuable addition of this year, the new tables and chairs for the lower grades, was made possible by the generosity of Mr. and Mrs. Huether. We have also acquired a cupboard for storage, three new bulletin boards and a large U. S. map.

At present the enrollment is 14. The students in the various grades are:

Front Row—Susan Schumann (4); Betty McGinnis, (7).

Middle Row—Larry McGinnis, (5); Harold Huether, (2); Carol Schoepflin, (2); Rachel Ireland, (5); Bob Huether, (5); Gary Warner, (2).

Lithography . . .

That marvelous new process that reproduces any subject that can be photographed sharply and distinctly in any color or colors . . . without copper or zinc cuts or plates is at its very best here. Quality control is assured by our Camera and Plate-making equipment and standard commercial Lithograph press.
