Foreword

This was our book for nearly a year . . . Now it's yours. As the years come and go we hope that as you page through it, it will bring back pleasant memories.

We, the Annual Staff, present the '56-'57

Echo Log

Dedication

Words can never fully express the gratitude our hearts feel as we remember what you have contributed to our school and to the building of our own lives during the past seven years. Your warm friendliness and unfailing optimism have inspired many of us to strive harder toward our coveted goals. Your consistent Christian lives have inspired us to walk positively in God's footsteps and to dedicate to His service, our weak talents you worked so hard to develop. Because of all this and much, much more we lovingly dedicate the 1957 Echo Log to you, Mr. and Mrs. Harold Ochs.

By sponsoring pages, many have helped make this annual possible.
We wish to take this opportunity to thank them personally.

Principal's Message

Footsteps! First growing into a dimly discernable pathway, then a road, then a highway, a teeming superthoroughfare thunderous with the flood of twentieth century traffic! Now become the very artery of a city, a nation! How important then that those first steps be right, to set the grade, to establish the line! So that detours, dangerous road hazards, switchbacks and dead ends shall be eliminated; that the road be well-chosen, direct to our goals, so that those who follow us, might travel in confidence and surety; not in doubt and then dismay!

Unconsciously man follows, but some must lead, and it must needs be that those who lead be well-trained, confident in what they do, sure of their destination, and the way they walk!

You, Christian youth, must always be the true leaders for those who follow! By birthright as Christ's purchase, by selectivity of education you are chosen! May your feet be quick to do good, may they be, in terms of scripture, "Beautiful" for their sure knowledge of the way. So that those who come after, may gratefully say of each of you, "He was a good leader, he knew the road."

Devotional

Student Week of Prayer Speakers

Standing: Andie Anderson, Joe Willey, Dean Hubbard, Judy Ackerman, Delmer Wiggins, Lucille Olson. Seated: Louis Yaw, Barbara Jenicke, Stan Bascetta, Grace Pellow.

Of the many highlights of the school year, perhaps the two Weeks of Prayer along with the Week of Consecration conducted by the Associated Student Body are the longest to be remembered. At these services decisions are made that are to stand for eternity.

The Student Week of Consecration, held January 13 to 19, proved outstanding both in messages given and in student response. Almost the entire student body responded to the call for entire consecration at the Friday evening vesper service. These responses to the student appeals well illustrate the truth of the Lord's counsel in the Spirit of Prophecy.

"Preachers or laymen, advanced in years, cannot have one-half the influence upon the young that the youth, devoted to God, can have upon their associates."

SINCERE CONGRATULATIONS AND BEST WISHES TO
the Graduates, Students, and Faculty of Upper Columbia Academy,
including those good donors who make a school such as yours possible.
We are grateful that there are still Americans who want Christian
training and are willing to make the personal sacrifices to secure it.

You are not dependent on the State to provide those facilities and
you are not beholden to them. Only in such free, Christian institutions
will the light of Liberty and Freedom not be extinguished.
