## Principal's Message

*Whom Do You Follow?*

Today there are many voices calling. It is ours to decide which we shall answer. Christ the Savior has placed His special invitation to "come and follow me" many, many centuries ago, after an atoning sacrifice, that the beings of all ages will marvel at and never fully understand. There are other special calls to "come." There is the selfish aim of personal ambition for material things. The drive to "get all I can" is seen everywhere, and it is the root of much of the strife and misunderstanding so prevalent in the world today. In myriad forms, evil agencies entice and call from the way of righteousness.

We are also granted a foreknowledge of the sure destination of this right leadership that Christ our Savior provides. It is my earnest hope for all who view this book, and who have part in it, that they will have made their "calling and election sure" by these important steps. First, the right choice of a leader. Next, a personal determination to make this life a "passport to the school of the hereafter" and that there be a daily striving toward these worthy goals. They can be attained and nothing should deter us from this all-important work of "first things first!"

## EDUCATIONAL EQUILIBRIUM

THE COLLEGE SEAL BEST ILLUSTRATES THE WALLA WALLA COLLEGE CONCEPT OF EDUCATION. IT EMPHASIZES THE PROPER DEVELOPMENT OF THE PHYSICAL, MENTAL AND SPIRITUAL POWERS OF THE INDIVIDUAL. ALL TOO OFTEN TODAY IN COLLEGES AND UNIVERSITIES, THE PHYSICAL AND MENTAL CAPACITIES ARE EXPANDED WITH THE NEGLECT OF THE SPIRITUAL.

WHEN THE SPIRITUAL PHASE IS DELETED, EDUCATION IS INCOMPLETE AND WITHOUT SURE FOUNDATION. "TRUE EDUCATION MEANS MORE THAN THE PURSUAL OF A CERTAIN COURSE OF STUDY. IT MEANS MORE THAN A PREPARATION OF THE LIFE THAT NOW IS. IT HAS TO DO WITH THE WHOLE BEING AND WITH THE WHOLE PERIOD OF EXISTENCE POSSIBLE TO MAN."

## IT'S THE DIESEL-POWERED FERGUSON 35

Now the World's Most Copied Tractor

Has Diesel Power Tool

Imagine the terrific economy you'll get when you operate this mighty new tractor on inexpensive Diesel fuel . . . and the extra trouble-free service which means still more economy. The savings alone will help pay for the tractor.

The man sized, gas-powered Ferguson 35 has always been the best buy in the land . . . It's the tractor that's famous for out-performing many much larger machines. Easily handles up to 3 plows in most soil conditions, has the famous 4-Way Work Control and the Ferguson 35 has an even lower operating cost. The rugged design of the engine keeps it in the field longer. It has new lugging power you'll have to see to believe . . . So don't miss coming in to see this great NEW tractor from Massey-Ferguson . . . Another contribution to better farming, sure to set a new pace for the industry.

Don't forget to ask about the new Retail Time Payment Plans, with one tailor-made to fit your farm income.
