

Echo Log

The Echo Log

published annually by
The Associated Student Body
of
Upper Columbia Academy
Spangle, Washington

This book was ours for almost a year and now it is with a sense of relief that we give it to you. Between its covers may you find pictured people and events that will recall your finest memories of U.C.A. This is our sincere wish as we present to you the 1962 Echo Log.

The Staff

Among the treasures we will ever hold of U.C.A. is the memory of two of our faculty. Their departments have contributed to the success and accreditation of our plant. Their cheerful Christian outlooks and ready spirit of cooperation and willingness to help have been an encouragement to many of us. Because of this and much more that words cannot express, we gratefully dedicate this 1962 Echo Log to you, Mr. and Mrs. Werth.

These are our halls, what memories they hold! Happy, merry voices, gay laughter, and a low murmuring sadness—a medley of sounds through the passing years echoes from the walls of these corridors.

Principal's Message

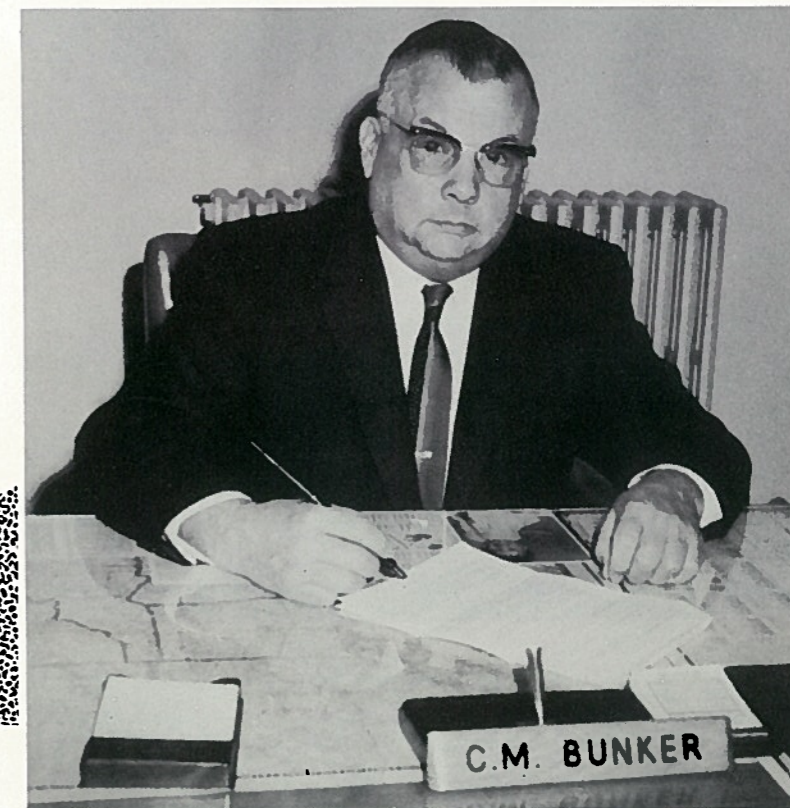

Academy days are days filled with a multitude of activities—study, worship, work, and play. As you go about your business on the campus, through the halls of the dormitories and school buildings, you are constantly brushing shoulders with your fellow students. Little do you realize in these every day contacts that seem so common place, that you are forming acquaintances and friendships that will be of lasting effect.

Today this annual may be of prime significance to you because you find yourself a part of the publication. A few years hence it will take on new meaning as you recall fond memories of friendships true and of experiences dear to your heart.

"Friendship is like a garden
of flowers, fine and rare,
It cannot reach perfection
except through loving care;
Then, new and lovely blossoms
with each new day appear . . .
For Friendship, like a garden,
grows in beauty year by year."

A Message From the Chaiman of Our Board

Happily I pause for a moment to address this note of cheer and courage to all who have enjoyed with me the development of our academy over the past four and one half years. I will ever entertain pleasant memories of planning, working and then seeing our prayers answered and our hopes realized. But the greatest thrill was still ahead to see our family and fine student body so thoroughly enjoy and appreciate the product of our united labors.

As I visit the campus from time to time, the cheery, "Hello, Elder Bunker," the kind and courteous treatment and words of appreciation have been a great source of inspiration and encouragement to me. In months and years to come I will wait with interest to see where the product of U.C.A. is, and what they are doing to prepare a people for the appearing of our Lord.

In preparing for their future work, may each student ever remember, "The ambition to do well is far better than the ambition to be well-to-do."

C. M. Bunker

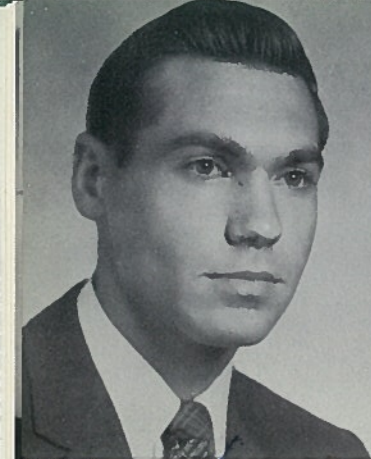

Dreams of accreditation, a new cafeteria, girls' dormitory addition, remodeled gymnasium, and a music building have become realities. Through the years the academy board has spent long hours working and planning for the success of our school. Though the membership changes, its goal has always been the same: to provide the young people of this conference with a Christian education. To the members, past and present, we wish to say Thank-you for all that you have done to provide us with that type of education that will fit us for service in this world and for a life in the hereafter.

Seminar Voice of Youth Effort

"With such an army of workers as our youth, rightly trained might furnish, how soon the message of a crucified, risen, and soon-coming Saviour might be carried to the whole world! How soon might the end come,—the end of suffering and sorrow and sin! How soon, in place of a possession here, with its blight of sin and pain, our children might receive their inheritance where 'the righteous shall inherit the land, and dwell therein forever;' where 'the inhabitant shall not say, I am sick,' and 'the voice of weeping shall be no more heard.' "

—Counsels to Teachers, Parents, and Students

Through such means as the Voice of Youth Effort at Cheney, we at Upper Columbia Academy are training to accept the challenge to carry the message of our Saviour to the world.
