The Echo Log

Upper Columbia Academy
Spangle, Washington

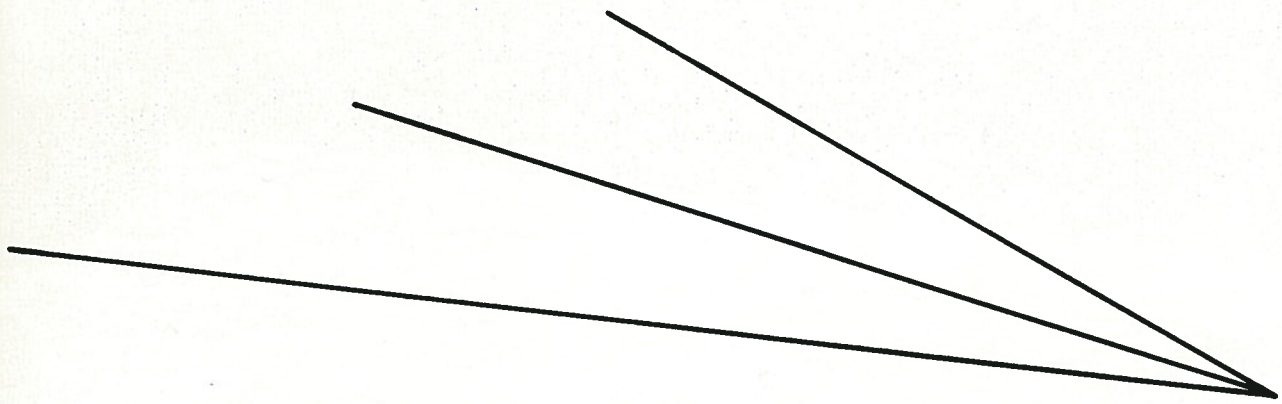

A Message from the Editor

During this school year, we have shared many hours of fellowship together. Each person will treasure certain things that happened during this year. The 1964-65 Echo Log contains such memories of our year together.

I have had lots of fun putting this yearbook together. I hope that each of you will remember our school year with all our activities as you look through its pages.

Shelby Kirklin
Editor 1965 ECHO LOG

Echo Log Staff

Nancy Ammon
Assistant Editor

Two of our favorite teachers are Mr. and Mrs. Schmidt. Mr. Schmidt leads out in Science and Math while Mrs. Schmidt leads out in Home Economics. Their classes are made a challenge with their deep thinking and high standards.

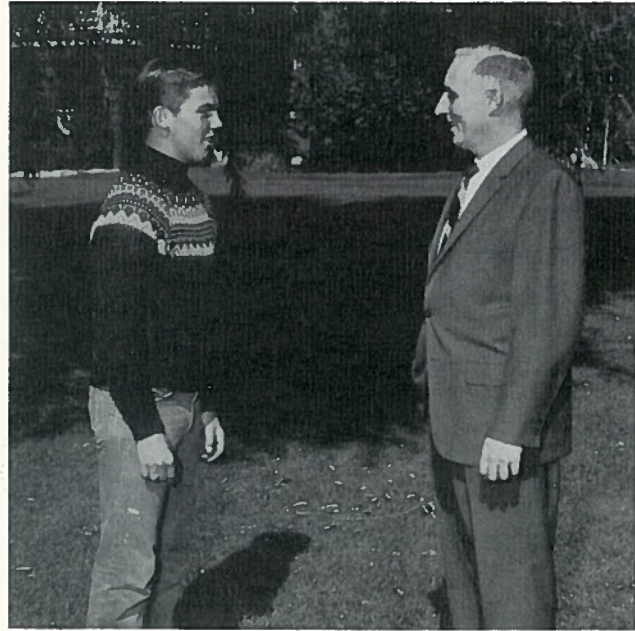

Their sincere Christianity spreads a wholesome atmosphere around our campus and encourages us to pattern our lives after Christ.

Besides teaching, they participate in student activities. Their pleasantness and bubbling personalities make them a pleasure to have around.

We are glad they chose teaching as their life work and we count it a privilege to have them on our campus.

We are proud to dedicate this 1964-65 ECHO LOG to you, Mr. and Mrs. Vernon Schmidt.

Our Principal

Friendship — pure, unselfish friendship,
All through life's allotted span,
Nurtures, strengthens, widens, lengthens,
Man's affinity with man.

Author unknown

Your academy days are the golden, carefree years of your life. Furthermore, it is now that you are forming the friendships that will become increasingly precious to you as time moves on. In the coming years you will frequently leaf through this 1965 ECHO LOG, there to associate again the memories of this year with the photographic reproductions of your friends. While some you may never see again as you travel life's road, yet they will always be a part of your experience because this ECHO LOG will be a graphic reminder that you shared this year with them at U. C. A.

F. E. Schlehuber

Chairman of the Board

It is with pleasure that I respond to the request of penning a few lines for the ECHO LOG. I am pleased to be a part of the Upper Columbia Academy team. The sacrifice and devotion of our constituency to this school has been a worthwhile investment and will continue to bear fruit until the end of time. The future of every young man and woman will be worth while in proportion as they employ wisely and well each fleeting moment. We are fortunate to have a staff that is devoted and dedicated to their task. By precept and example each student will not only be encouraged but inspired to utilize with care the talent of time in preparation for service for their God and their fellow men.
